RE: *Odom v. United States*, 20 Cv. 10; 17 Cr. 321

October 6, 2020

Dear Judge Furman:

This office represents Marcus Odom in the above-captioned matter. I write, on consent, to request a 14-day adjournment of Mr. Odom's time to respond to the government's September 28 motion to "turn over" the \$452.25 held in Mr. Odom's inmate trust account. ECF No. 49.

On September 29, 2020, I was appointed for all purposes, including to respond to the government's motion. While I have every expectation that Mr. Odom will oppose the government's motion, I have not been able to speak to him about it yet. The Bureau of Prisons unilaterally cancelled a call that was scheduled for this morning and my office is working to reschedule it. The court previously set a date of October 7 for Mr. Odom's response. ECF No. 52. In order to facilitate communication with Mr. Odom and research the government's position, I request an additional 14 days to respond, which would make the new deadline October 21, 2020.

This is the first request for an adjournment.

I have spoken to AUSA Justin Rodriguez and he advises that the government consents to the requested adjournment.

Thank you for your attention to this case.

Very truly yours,

*Zachary Margulis-Ohnuma*
